## TERMS AND CONDITIONS GOVERNING SALE

The lots listed in this catalogue will be offered and sold subject to the following Terms and Conditions.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer's determination shall be final.
2. New bidders who have not previously established credit must furnish satisfactory references well in advance of the sale date, or send a deposit of 25% of their bids, applicable to purchases. Any portion of such deposit not used will be promptly refunded after the sale. We reserve the right to require full payment in full before delivery of merchandise.
3. We will execute your bids without charging a commission. These bids will be treated as limits. In general, we will start a lot at a small advance over the next to the highest bid. We can neither correct nor assume responsibility for any errors as to amount or lot numbers in bid sheets, so please recheck to make sure you have bid on the exact lots you want. We will not accept bids from minors.
4. California residents must pay state sales tax. Postage and insurance will be added to invoices for lots to be mailed to successful bidders. All lots are sent registered mail. Overseas buyers must furnish their own insurance.
5. All items in this sale are guaranteed genuine, and as described in the catalogue. Claims to the contrary must be made within three (3) days of receipt by the buyer. Lots may not be returned without our written permission. No lots purchased by floor buyers may be returned. Title remains with Superior Stamp & Coin Co., Inc. until invoices are paid in full.
6. Auction sales are strictly cash and lots must be paid for immediately in U.S. funds.
7. Where estimates are given, they represent either the owner's idea of value, or our professional opinion as to what they should bring. IN ANY EVENT, THEY ARE ONLY ESTIMATES AND YOU MAY BID HIGHER OR LOWER. We recommend, however, if you want the lot, bid close to or over our estimate. For some of the lots, we have indicated the number of known pieces and, in some cases, we have described certain coins as possibly the finest known. These descriptions are only the cataloguer's opinion, after much research.
8. The possibility exists that some lots could be misattributed and should this occur, mail bidders may return lots within three (3) days of receipt. Floor bidders are urged to examine lots prior to bidding, since there are no return privileges for coins purchased on the floor.

### NOTICE OF EXHIBITION

Lots will be on exhibit each day starting December 15th through February 3rd, 1980  
from 9 o'clock a.m. until 5 o'clock p.m. at our store.

We are located at 9301 Wilshire Boulevard, Beverly Hills, California.

We will accept special appointments for the viewing of lots prior to this date, nevertheless,  
we recommend that you call or write for an appointment to view lots.

Telephone: (213) 272-0851 or 278-9740

Outside of California call toll free at (800) 421-0754

All photographs in this catalogue are of the actual lots being sold. You may bid generously with the assurance that you will purchase the lots for less, if it is at all possible. Your bids are kept confidential and we will not disclose any mail bids. If you have any questions about this sale, please write or call us.

### EXPLANATION OF VALUES

We estimate the value between \$100.00 and \$150.00 . . . . . (\$100.00-\$150.00)  
This lot should sell in excess of \$125.00 . . . . . (\$125.00 – UP)  
We were unable to trace any prior sale for a similar specimen and thus are unable to estimate value. . . . . ( )

IN ANY EVENT, THESE ARE ONLY ESTIMATES AND YOU MAY BID HIGHER OR LOWER.

## FOR NEW MAIL BIDDERS

If you have never before bid by mail, an explanation is needed. Basically, the procedure is quite simple. You will notice on the enclosed Mail Bid Form a place for entering the lot number as well as the amount you wish to bid. After carefully reading the description of the lot in question, simply write down the lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot # 145. Determine the maximum price you will pay for this lot and enter this amount on the Mail Bid Form as follows:

LOT	BID	LOT	BID
145	90.00		

You will note that we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price that you will pay for a lot (unless you have checked one of the increase boxes.) However, there is always the possibility that you may obtain the lot for less! As indicated in our "**Terms and Conditions Governing Sale,**" we act as your agent and execute your bids as if you were there in person at the sale. We will buy the lot for you as inexpensive as possible over the next highest bid. In other words, if your bid for example is \$90.00 on Lot # 145, and the next highest bid, whether by mail or floor is only \$70.00, the lot would be awarded to you at \$75.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read carefully our "**TERMS AND CONDITIONS GOVERNING SALE.**" Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the sale in person. Many rarities are obtained through the medium of auction sales, and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sales.

Thank you,

The Auction Department

#### LIBERTY SEATED HALF DOLLARS

##### AN IMPORTANT COLLECTION OF SEATED LIBERTY HALF DOLLARS

This collection was formed by a prominent Southern Californian Numismatist over the period of several decades. Years of search, patience, and upgrading have gone into this collection. Many of these coins are pedigreed and have been acquired from various auctions. The original records were not saved, but with a little effort, the new owner will be able to trace many of these coins.

The collection is virtually complete by date and mint. The only coin that is conspicuously lacking is the 1878-S. This particular coin was removed from the collection and sold as lot number 191 in our AUCTION '80 Sale. The coin realized a record price of \$25,000.00.

The balance of the collection is now being offered individually and includes many highlights. Some of which are the 1836 Reeded edge, 1839-O, 1842-O Small date, 1851, 1856-S, 1870-CC, and the many Brilliant Uncirculated and Proof specimens.

We hope that the half dollar collector or investor will spend some time personally examining these coins. We are sure you will agree that these coins are some of the finest specimens to appear on the market in years.

BUST TYPE SILVER DOLLARS

VERY RARE 1794 SILVER DOLLAR

(See Color Plate)

641

1794. Very Fine 30. From the famous Charles L. Ruby Sale, Lot 1446, and described as follows: "1794. Intermediate die state, dies clashed but as yet without the rim break at 7th star. Very Fine; steel gray tone; usual strike, weak at left stars and UNITED STATES, but at least all digits and stars can be made out, as can at least lower halves of all letters affected; complete dentilated border on reverse. Adjustment marks at left obverse; small planchet chip in wing feathers near ER, as made. Nearly free of handling marks, the only one requiring mention being a tiny sharp rim nick above space between AM. (The mark within U is a tiny lamination defect.) One of the twenty or so finest of the date; a little finer overall than Gilhousen 1210 at \$12,500. In the Ruby Collection for over twenty years; obtained as "one of the eight finest known." Ex Colonel Green Collection; in a custom plastic holder." A very pleasing example of our first silver dollar that should attract considerable attention among collectors and investors alike. PHOTO . . . . . (\$27,500.00 – UP)

642

1795 Flowing Hair. 3 leaves under wing. Extremely Fine 40. Touches of mint lustre still evident with pale steel and light golden toning. Although a minor planchet flaw is noted in the left obverse field, this coin is free from serious problems. PHOTO . . . . . (\$5000.00-\$6000.00)

643

1795 Flowing Hair. 3 leaves under wing. Fine 12. A pleasing example with natural bluish-gray toning. PHOTO . . . . . (\$2000.00-\$3000.00)

- 645 **1796 Large Date, Small Letters.** The obverse grades **Extremely Fine 45**, while the reverse is **About Uncirculated 50**. There are some scratches in the left obverse field, otherwise the coin is problem free. Boldly struck and lustrous with natural slate and light golden toning. This beauty should command considerable attention. PHOTO.  
 ..... (\$5000.00 — UP)

- 647 **1798 Large Heraldic Eagle. Close Date.** Mint State **60**. Somewhat softly struck and from a late die state. Lustrous with mottled violet iridescent toning. PHOTO ..... (\$7000.00 — UP)

- 648 **1798 Large Eagle. About Uncirculated 50.** Well struck with considerable lustre still intact and highlighted by attractive iridescent toning. Some light marks around the rims are the only faults worthy of mention. A lovely high grade example of the popular Bust Dollar. PHOTO.  
 ..... (\$2500.00-\$3500.00)

- 649 **1798 Large Eagle. Wide Date, 13 Arrows.** Extremely **Fine 45**. Well struck and with enough mint lustre as to suggest an even higher grade. This is a gorgeous specimen with violet and steel blue iridescent toning. PHOTO . . . (\$1500.00-\$2000.00)

- 650 **1799 9 over 8. 15 Star Reverse. Mint State 60.** From our Dr. Donald Davenport Auction Sale, Lot 476, and described as follows: "1799/8. B-3 (high R-4). Overdate; 15 star reverse. From our 1975 A.N.A. Sale, Lot 911. Mint State 60 or so, frosty, with a touch of golden about the devices, and lustrous. Excellent surfaces with minimal handling marks. Not fully struck up in the center portions of the reverse as usual for this variety. Choice and the finest this cataloguer has seen. Vastly superior to the Baldenhofer-Ostheimer, Miles and Taylor coins. Could be a runaway. The coin realized \$5,000.00." PHOTO . . . . . (\$8000.00 — UP)

- 651 **1799 9 over 8. Reverse with 15 stars. Extremely Fine 45.** Boldly struck, lustrous and lightly toned. PHOTO . . . . . (\$1500.00-\$2000.00)

- 652 **1799 9 over 8. Reverse with 15 stars. Extremely Fine 40.** Some touches of mint lustre are still evident about the devices. Pale lilac toning confined to the reverse. PHOTO (\$1000.00-\$1500.00)

- 653 **1799 Irregular Date. Reverse with 15 stars. Obverse grades About Uncirculated 50; the reverse Extremely Fine 45.** Somewhat softly struck but quite lustrous with mottled light violet toning. Ex Johnson (August, 1954), Austin, Ostheimer. Acquired at our 1975 ANA Auction Sale, Lot 915, and described as probably the second finest known. PHOTO . . . . . (\$2000.00-\$2500.00)

THE FINEST KNOWN 1800 SILVER DOLLAR**

- 654 **1799 Irregular Date. 13 star reverse. Extremely Fine 45 or better.** Acquired at our Naggen Sale, February 16-18, 1976, Lot 659, and described as follows: "1799. B-13. From our famous October 1973 Gilhousen Sale as Lot 1258. The famous 'Irregular Date, 13 star reverse showing die flaws at E of STATES. Surfaces of Almost Uncirculated or better, much mint luster and only minor handling marks (three on rims, not very noticeable). Touches of cabinet friction consistent with a grade above Extra Fine. Extremely rare, underrated by Bolender; a full R-7. One of three top examples, apparently tied for second finest though of the three (this one, the Austin and the Taylor-Baldenhofer coins) there is at most 5 points spread in grade; the other 6 or 7 now known are in Good to Fine. The earliest variety of the year, its obverse a leftover from 1798 though with date originally minus final digit; die break progressions prove that this preceded Bolender 15, Bolender 4 and the three overdates. Hasty punching-in of the final 9, too low and leaning far to right, produced the 'Irregular Date.' A truly extraordinary coin, pictured (reverse) on the Bolender Plate. Ex Bolender, Ruby." PHOTO . . . . . (\$2000.00 – UP)

- 656 **1799 Normal Date. Very Fine 20.** Evenly worn with good detail showing and some rim knocks around the obverse edges. Pale lilac toning. PHOTO. . . . . (\$700.00-\$900.00)
- 657 **1799. Fair.** Well worn. . . . . (\$200.00-\$250.00)

### FINEST KNOWN 1800 SILVER DOLLAR

(See Color Plate)

- 658 **1800 Medium wide date. About Uncirculated 50.** This is the famous Ostheimer specimen and was acquired at our 1975 ANA Auction Sale, Lot 972, and described as follows: "1800. B-3 (R-8). About Uncirculated 50, well toned, struck, and has highly polished surfaces. Not perfectly centered, but bold detail with sharp denticles. The only thing about which a person might complain are a few minor edge nicks, mostly above CA of AMERICA. Really a beauty and the finest known of the extremely rare variety. Ex Baldenhofer, Ostheimer." PHOTO. . . . . (\$3000.00 – UP)

- 655 **1799 Irregular Date. 13 star reverse. Fine 12** with signs of old cleaning across the head and a rim bruise on the reverse above "A" in STATES. PHOTO . . . . . (\$400.00-\$500.00)

- 659 1800. Extremely Fine 40, but expertly repaired in two areas of the obverse field. PHOTO.  
..... (\$400.00-\$600.00)

- 660 1800 "Dotted Date". Very Fine 35. This coin was purchased at our famous Gilhausen Auction Sale, Lot 1271, and described as follows: "1800. B-14. The famous "dotted date." Almost Extra Fine, iridescent sunset tone, some luster; some areas suggest a grade higher than Extra Fine. This has some, though not all, the breaks called for by Bolender 14a; very scarce so." PHOTO (\$1000.00-\$1500.00)

- 661 1801. About Uncirculated 50. From the Garrett Collection Part II, Lot 694 and described as follows: "1801. B-3. About Uncirculated 50. A very sharply struck specimen of extraordinary quality. The obverse has at least half of the original mint lustre, mostly in protected areas of the de-

sign, and the reverse is even more lustrous with nearly the full quota of original lustre. The surfaces have light gray toning with suggestions of magenta mottling in some areas. Truly a superb specimen of this rare date." PHOTO.

..... (\$4000.00-\$5000.00)

- 662 1801. Extremely Fine 40 to 45. Boldly struck with considerable mint lustre and lightly toned. A pleasing high grade example. PHOTO.

..... (\$1500.00-\$2000.00)

- 665 **1802 Wide normal date.** From our California Collection Auction Sale, Lot 1335, and described as follows: "1802. Bolender 5. *Extremely Fine 45/About Uncirculated 50.* Some original proof-like surfaces, warm light iridescent tone. Reverse with full breast feathers. Probably was not in circulation for more than a few days, thereafter displayed with the lovely reverse uppermost in a velvet tray. Tied with one other for the second finest of this R-7; possibly the most undervalued single coin in the Guide Book. Obverse pictured on the Bolender Plate. Ex Bolender, Ruby and Gilhousen. From the Gilhousen Part III Sale, Lot 1280." PHOTO. . . . . (\$3000.00-\$4000.00)

- 666 **1802 Wide perfect date.** B-6. Right foot of "T" in LIBERTY is missing. **Very Fine 30.** Well struck with some signs of lustre still evident. From our Naggen Sale, February 16-18, 1976, Lot 665. PHOTO. . . . . (\$750.00-\$1250.00)

- 667 **1802.** The obverse grades **Fine 12**, while the reverse is **Very Fine 20.** Even wear, free from problems. Lightly toned on the obverse with deeper steel and slate color on the reverse. PHOTO. . . . . (\$500.00-\$750.00)

- 668 **1803 Large 3. About Uncirculated 50.** A beautiful well struck specimen with proof-like surfaces on both sides; lightly toned. This date is seldom encountered in such high grade and should attract considerable attention. PHOTO . (\$3500.00 — UP)

- 669 **1803 Large 3. Very Good 8.** Buffed and polished at one time. . . . . (\$250.00-\$350.00)

### POPULAR 1836 GOBRECHT DOLLAR

- 670 1836 C. GOBRECHT F. on base. Plain edge. Brilliant Proof 60/55. A pleasing example with traces of old cleaning, now well concealed by the mottled iridescent toning. The reverse contains a spot of friction on the eagle's breast. Among the 1,000 originally struck. Rare and always in great demand. PHOTO . . . . . (\$4000.00-\$5000.00)

### ANOTHER 1836 GOBRECHT DOLLAR

- 671 1836 C. GOBRECHT F. on base. Plain edge. About Uncirculated 50 with light golden toning. Well struck with semi proof-like surfaces. There is slight evidence of handling marks in the fields, none of which are too serious, and the slightest evidence of friction on the eagle's chest. Among the 1,000 specimens originally struck. PHOTO. . . . . (\$3000.00-\$4000.00)

## LIBERTY SEATED DOLLARS

- 672 1842. About Uncirculated 55. A trifle softly struck with beautiful lustrous surfaces. Some very light handling, nonetheless, worth close to a Mint State 60 price. PHOTO . (\$600.00-\$900.00)

### RARE 1858 SEATED DOLLAR

- 673 1858. Brilliant Proof 60. A well struck example with some hairlines and contact marks in the fields. Rare and in great demand as only 80 specimens were struck for this proof-only date. Many times rarer than the highly touted 1895 Silver Dollar. An ideal coin for the future. PHOTO. . . . . (\$6000.00 - UP)

GEM PROOF 1861 DOLLAR
